driving your hunger away!

What is Tuck by Truck?

A **mcch** employment and vocational service, which provides:

- ▶ a tray of snacks including healthy options, on site in your workplace
- ▶ support to people with disabilities to develop work-related skills
- ▶ paid work delivering trays and liaising with customers
- ▶ skills matching and support to the individual and employer to sustain jobs in the open market
- ▶ paid employment opportunities
- ▶ trained, professional, hard working and reliable employees
- ▶ advice on disability issues

What happens next?

- ▶ We site a tray full of well known quality brand sweets, crisps and drinks at a convenient location on your premises
- ▶ You can purchase items as and when you require from the selection available
- ▶ Paying is simple, money is placed in the container kept next to the tray
- ▶ We will visit you weekly or as agreed with a newly stocked tray
- ▶ The delivery team will balance the cash with your sales
- ▶ You can customise your tray with your favourite products – ask the driver for more details
- ▶ If there are any problems or queries with your tray, our delivery team are able to deal with them on site

Everyone wins!

Choose tuck by truck because:

- ▶ You will have a high quality service for your workplace
- ▶ Your support opens up opportunities for people who have been disadvantaged to build skills and try out work
- ▶ It's such a simple thing to have in the workplace yet it allows people to realise their potential
